Choose layout templates, manage content settings, and publish or draft pages

The screenshot shows the Sitefinity Pages editor interface. At the top, there's a header bar with a back arrow, 'Saved as draft just now', 'Test page', a 'Preview' button, 'Publish', 'Save as Draft', a three-dot menu, and a grid icon. Below the header, there are tabs for 'Content' and 'Layout'. The main editing area is divided into a 'Horizontal Feature Area' and a 'Column 1' section. A large grey box on the left indicates 'AREA LOCKED BY TEMPLATE'. A right sidebar contains a 'Drag widgets' section with a list of content widgets and an 'EDIT' section with various actions like 'Title & properties', 'Unpublish', 'Set permissions', etc.

- Return to the Pages screen after completing actions
- Preview or publish completed pages
- Save unfinished pages as drafts
- Drafts will not appear on the website
- Select  icon to hide Content and Layout menus
- Select  icon to access and adjust page settings
